8. [ ] Dr. Whoolen, Carl Duckett, [ ] and John S. Warner briefed selected members of the Senate Space Committee on the Soviet Space program. Members present were: Clinton P. Anderson, Margaret Chase Smith, Warren G. Magnuson, and Stuart Symington. James Gehrig, Staff Director, was also present. (See Memorandum for the Record for details.) The members were most complimentary and called this one of the finest briefings they had had in a long while.
